She also grew Scotia iTRADE's digital business by implementing a customer focused culture and agile mindset, and previously served as District Vice President for the Quebec & Eastern Ontario Region. Abgrall-Teslyk spent the majority of her career in Quebec at RBC in progressively more senior roles, and designed and implemented significant transformational programs at both financial institutions. She holds a Bachelor of Commerce and MBA from HEC Montreal. "We are extremely fortunate to be drawing tremendous talent in the executive ranks and across the entire team at Laurentian. Karine's breadth of experience and impressive track record will help drive our customer-first strategy by focusing on customer-centricity, simplifying end-to-end processes, and truly owning the customer experience," said Rania Llewellyn, President & CEO. In recognition of the Bank's deep historical roots in Quebec and its importance to the Bank's future. Éric Provost has been appointed to the newly created role of President, Quebec Market. Provost will serve as the CEO's key lieutenant in the Quebec market and will advise the CEO on ways to further grow the Bank's presence and market share in Quebec. In addition to this new role, Provost will maintain his current responsibilities as Executive Vice President and Head of Commercial Banking. "Éric is uniquely qualified to take on the new role of President, Quebec Market. He has a deep understanding of the history and roots of the Bank. He is a proven leader and I have faith that he will continue to skillfully manage our commercial banking business, which has a unique value proposition and strong growth prospects in Quebec, across Canada and in the U.S.," said Llewellyn.
